

**FOR IMMEDIATE RELEASE**  
**20 December 2019**

## **Chart Learning Solutions partner with ODEM.IO**

### **About Chart Learning Solutions**

Chart Learning Solutions, the leading provider of premium, award-winning online soft skills content, have partnered with ODEM.io in an exciting global partnership. All of the Chart Learning Solutions content focused on Sales, Customer Service, Leadership Development, High-Performance Teams and Time and Territory management training will be available to customers via ODEM's premium offering and ODEM.IO run all their training using blockchain technology.

Transforming the way we learn, work and grow on a global scale is at the core of ODEM.IO and they are now an established leader in online learning and education. ODEM is proud to be a global leader in a secure digital environment on the blockchain.
